OUR MISSION

- Promote and defend the economic, professional, and social interests of members
- Advocate for improved living conditions of workers in Québec to help them thrive socially, culturally, and economically
- Promote and defend social rights, such as the right to education, health, work, and decent living conditions
- Defend and ensure broadening democratic rights, such as the right to unionize, the right to negotiate, and freedom of association
- Promote and defend the rights of women
- Actively acknowledge, promote respect for and defend sexual diversity
- Promote and defend the rights of children and youth
- Promote and defend the rights of seniors
- Promote and defend the people of Québec, their right to self-determination and their distinct French, intercultural, and secular character, while respecting the historical rights of the Anglophone community and the national rights of Aboriginal peoples
- Promote and defend the rights to information and freedom of the press
- Advocate for sustainable development that respects the environment, natural resources, and ecosystems
OUR KEY PRIORITIES

- Promoting the work of members
- Quality of life in both union and work environments, notably through the elimination of sexism, racism, homophobia, transphobia, and all forms of harassment and violence
- Eliminating job insecurity
- Equality, pay equity, and full employment
- Access to quality public services
- Free public education and health services
- Fair distribution of wealth
- Democratization of the state, institutions, and society
- International solidarity

OUR VALUES

Equality, solidarity, social justice, freedom, democracy, and cooperation.
