Create an account, enrol and manage your plan from any device. It's easy >

# Get started with saving

## Step 1

### Create an account on your computer, tablet or mobile phone:

- Go to [dfs.ca/participant](https://dfs.ca/participant). In the image, click the green **Go** button under **Log on to your account**. You'll be redirected to the **Log on** and **Register** page for the secure site.
- Under the **Register** section, click the **Register** button and follow the instructions. You'll need your group number and your plan member or employee number to create your User ID and your password.
- You'll be automatically redirected to the **Log on** and **Register** page where you can access your account under **Log on**, using the User ID and password that you just created.

## Step 2

### Enrol online

It's easy:

- Log in to your account and click the green rectangle with the name of the plan you want to enrol in.
- Follow the steps.
- To find out more about your plan and your investment options, check out the **My statements and documents > Forms and documents** section of the website.

## Step 3
