

# Our CEGEPS deserve better!

Despite a sharp increase in the number of students and aging CEGEPs, the Government of Québec has imposed unprecedented budget cuts.

**With a shortfall of \$151 million,  
IT'S HARD TO DO MORE WITH LESS!**

The college community must mobilize to denounce the situation and demand that the government reverse its decision.

Help yourself by speaking out about the consequences of the cuts and hiring freezes by completing this short survey.
